International Diesel Card Pre-Paid

International Diesel Card - Pre-Paid

One of the most competitive and complete online prepaid fuel payment networks across Europe.

A fully online solution that provides transport customers with real time control, security and information about their account 24 hours per day via the APP and website.

With a comprehensive European network designed to serve and support the major transit routes across Europe, the pre-paid fuel card offers great coverage at some of the most competitive prices available.

WHY PRE-PAID?

The pre-paid fuel card is

companies who have previously struggled to obtain credit or simply prefer to pay-as-they-go to help manage their costs more closely.

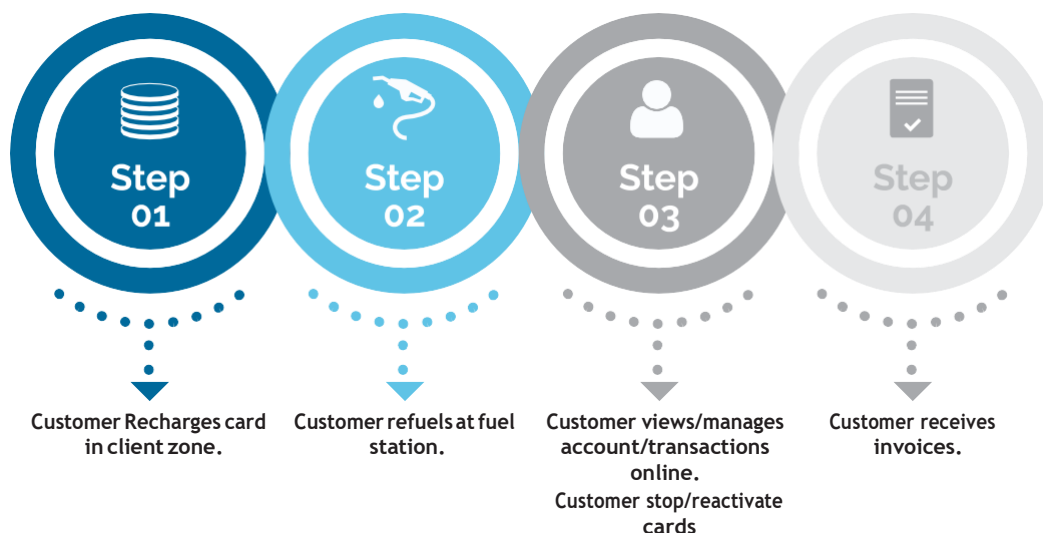

As a reseller, it provides a low-risk solution for companies who want to offer their existing customers this type of product.

In addition:

- No deposits
- No guarantees
- No credit insurance
