POSTING DRIVERS

Macron

We create and manage your SIPSI account and issue your drivers' certificates on request, according to the Macron Law requirements.

MILOG

Thanks to our app we issue your certificates in real time to fulfill the requirements of the German customs authorities stipulated by the Milog Law.

LSDB

Within the LSDB Law's framework, we manage and issue your declarations to the Austrian customs authorities in real time. You can easily request your certificates via our dedicated app.

DISTACCO

We take charge of your registration on the official website Cliclavoro and manage the issuing of your declarations. MOVE EXPERT also provides the representation of your company in Italy, according to decree 136/2016.

WagwEU

You need to appoint a contact person in the Netherlands that can communicate with the Dutch inspectorate. Move Expert will be your contact person and will make the compliant declarations for you.
